Co., Ltd.

Nikko Asset Management Co., Ltd. (Nikko AM) is a global asset management company headquartered in Japan, with operations in 11 countries and regions around the world and a global management and sales structure. In addition to its investment management capabilities, Nikko AM provides innovative products and services by leveraging the strengths such as unique product development and sales support capabilities, which consistently receive high marks from our marketing agents.

Nikko AM strives to fulfill its fiduciary responsibility with the primary mission of contributing to the asset formation of clients. Guided by the belief that reflecting ESG (environmental, social, and governance) in investment practices enhances the long-term value of investee companies and contributes to sustainable economic growth, Nikko AM is committed to the appropriate integration of ESG into all investment decision-making processes and to constructive engagement with companies.

In addition to creating innovative and unique investment solutions, Nikko AM is focused on providing clients with reliable investment results. In the midst of a drastic change in the social and economic environment,

including the COVID-19 pandemic, several funds of Nikko AM have been receiving positive feedback from clients. These include a group of funds focused on solid long-term growth themes such as robotics, FinTech, and genomics that we developed in succession in recent years; various balanced funds that have achieved reliable investment results even in the turbulent market associated with the COVID-19 pandemic; and in-house investment funds which have a long-standing track record of solid performance. Going forward, Nikko AM will continue to strive to provide products that capture major structural changes in society and products that contribute to the asset formation of clients over the long-term.

Furthermore, in its ETF business, which is one of the largest in Japan, Nikko AM is working to enhance the operations globally, focusing on product development in Asian markets such as Singapore and Hong Kong and expanding the investor base beyond Japan.

Nikko AM will continue to fulfill its fiduciary responsibility as an asset management company and do its utmost to contribute to the long-term asset formation of clients and the development of society.
