**Notice regarding the Commencement of Operation by Leasing Business Joint Venture with
BIDV Group in Vietnam**

As announced in the press release “Notice regarding Leasing Business Joint Venture with BIDV Group in Vietnam” dated February 22, 2017, Sumitomo Mitsui Trust Bank, Limited (President: Masaru Hashimoto, hereinafter “SuMi TRUST”) and Joint Stock Commercial Bank for Investment and Development of Vietnam (Chief Executive Officer: Mr. Phan Duc Tu, hereinafter, “BIDV”) have been in the process of preparing for the leasing business joint venture.

We hereby announce that the leasing business joint venture with BIDV group in Vietnam (BIDV-SuMi TRUST Leasing Company, Limited, hereinafter, “BSL”) will commence operation on May 26, 2017.

SuMi TRUST will provide BSL with expertise of leasing business and credit risk management which SuMi TRUST has cultivated in Japan with its subsidiary, Sumitomo Mitsui Trust Panasonic Finance Company Limited, (hereinafter “SMTPFC”), and contribute to the growth of BSL’s leasing business.

1. Background and purpose of the Joint Venture

SuMi TRUST and BIDV have executed a Memorandum of Understanding (MOU) in December 2013 for the purpose of enhancing cooperation in Vietnam. They have provided banking and financial services to Japanese corporations in Vietnam, as well as considered new opportunities of collaboration including the Joint Venture.

Along with the economic growth in Vietnam, the leasing market in Vietnam has a potential for medium - long term and sustainable growth. BIDV Financial Leasing Company (hereinafter “BLC”), the predecessor of BSL and a 100% owned subsidiary of BIDV, was established in 1998 as one of the first leasing companies in Vietnam. BLC has satisfied the financing needs of various companies in Vietnam by utilizing the high quality brand and customer base of BIDV, which constitutes one of the top four state-owned commercial banks in Vietnam.

Through the Joint Venture, SuMi TRUST and SMTPFC will provide sales finance leasing services to enhance sales of Japanese corporations located in Vietnam and Vietnamese Dong-denominated equipment leasing services to contribute to the expansion of business that Japanese corporations conduct in Vietnam, in addition to leasing business with Vietnamese companies by utilizing BIDV’s customer base.
