Sumitomo Mitsui Trust Holdings recognized in 2022 Bloomberg Gender-Equality Index

Sumitomo Mitsui Trust Holdings, Inc. (Director, President: Toru Takakura) announces that we were chosen as a member of the 2022 Bloomberg Gender-Equality Index (“GEI”) for the fourth year in a row.

The GEI is a stock index developed by Bloomberg to provide companies with an opportunity to inform investors of the companies’ efforts to promote gender equality. Companies that meet Bloomberg’s global standards for promoting gender equality, such as policies, performance, and disclosure, are selected as constituents of the GEI for each year.

Sumitomo Mitsui Trust Group's (hereinafter "SuMi TRUST Group") sustainable growth is supported by its human resources. The development of human resources and the provision of opportunities to flourish are the most important themes.

SuMi TRUST Group holds the concept of diversity & inclusion, which means “fully utilizing the diversity and creativity of employees for management”, as its Mission (management principles).

We continue to promote the diversity and inclusion, which includes the women’s active participation and advancement, to establish a framework and foster corporate culture that allows diverse human resources to fully utilize their abilities and to actively disclose information to enhance corporate value.

End.
