Progress of Our Approach to Carbon Neutrality

Sumitomo Mitsui Trust Holdings, Inc. (Director, President: Toru Takakura; hereinafter “SuMi TRUST Holdings”) is propelling efforts based on “SuMi Trust Group’s Carbon Neutral Commitment” (hereinafter “Carbon Neutral Commitment”) announced in October 2021, toward the realization of net-zero greenhouse gas (hereinafter “GHG”) emissions by 2050.

We announce that we set an intermediate reduction target for GHG emissions for 2030 in the “Oil/Gas” sector.
